Alice Cangemi has written a poignant romance novel that all women should read. will not tell you that he or she is being sexually abused, why it continues to happen over and over again, what kind of aftermath the child may endure, and most importantly, what you can do to prevent it. "Searing, tender and filled with passion, Sherry's writing is nothing short of a revelation."—New York Times bestselling author Lisa Kleypas Lord Vere is handsome, strapping, and sweet. The second book in a romantic and drama-packed trilogy perfect for fans of Rachel Vincent, Julie Kagawa, and

Alyson Noel. Lusciously romantic and full of action-packed drama, readers will be swept away by this thrilling novel. Dawn Montgomery knows that monsters really do come out at night—after all, they are her job. It's just after the thirty-year war between vampires and humans, and as an ambassador between the two sides (a role she inherited when her parents were killed), Dawn quickly learns that balancing schoolwork, teen life, and the requests of Lord Valentine, the most frightening vampire in the region, isn't easy. There's nowhere left to hide. I thought vampires were our enemies—they controlled our lives, isolated our cities, and demanded our blood—until I met Victor. With Victor taking over as the new Lord Valentine, things were supposed to get better. Instead, they're worse than ever. Day Walkers, a new breed of vampires who can walk in the sun, are terrorizing the city. Blood supplies are low, and if Victor's vampires don't get enough, they will become infected with the Thirst—a disease that will turn them into mindless killers. To stop it, I must journey across the desolate wasteland to the very place where the sickness began. I can only hope that the answers that await me are enough to save us all...before it's too late. Four school friends find something in the woods that has been hidden there for ages and never had contact with the outside world ...until they discovered it. And the small town of Lobo Cliff, Florida will never be the same. This is a case of "The boy who cried wolf" taken to the extreme as the 'thing' in the woods not only may be a menace to the town but also may be the only thing that can cure one of the friends from an illness that has no cure. But this cure can also turn him into a monster. In the epic finale of the Darkness Before Dawn series, the showdown between old enemies and new enemies begins. Danger and despair lurk around every corner. Centuries old secrets are brought to light, brother openly betrays brother, and death sweeps across the land. What will the future hold for Dawn and her family? Who will live and who will die? Whose heart will be broken? Can Dawn keep hold of her sanity? And what, or rather, who will rise to power from the ruins of Atlantis? THE ALL-NEW KGI NOVEL from the "incredibly awesome" (Jaci Burton) #1 New York Times bestselling author of When Day Breaks.
